Westoba Credit Union offers Funds for Community Resources

BRANDON, MB – Westoba Credit Union, has announced funding for its communities to address the growing need for resources during the COVID-19 pandemic.

“In this time of unpredictable change, we as members of Westoba Credit Union stand by our commitment to our communities,” said Jim Rediger, Westoba President, and CEO. *“We are grateful to continue to provide service to our members while keeping safety top of mind. This is a time for all of us to come together.”*

Recognizing that some people and organizations in our communities have been impacted by COVID-19 and its economic consequences, Westoba has designated funds to support organizations most in need.

Each Westoba branch chose community resources to benefit from these donations. These selected charities will receive support immediately to help alleviate some of the strain on their services. For a full list of recipients, visit <https://westobacu.com/news/community-donations/>.
