FRIENDS OF RIVERS LAKE RECEIVES FUNDING FROM WESTOBA INSPIRE

Rivers, MB 04.07.21 – The Friends of Rivers Lake are thrilled to receive \$2500.00 from the Westoba Credit Union Inspire Program to create a public boat launch at Daly Beach. Friends of Rivers Lake Vice President, Lorne Green recognizes the impact COVID-19 has had on the community of Rivers and the timeliness of this financial support.

“With a world full of restrictions, the great outdoors has become a safe zone for everyone,” said Green. “Lake activities have become popular and access to Rivers Lake provides for safe recreation for families of the Westman area.”

Friends of Rivers Lake have made upgrading lake facilities like the Daly Beach Boat Launch a priority. “For us to complete much needed upgrades, we are dependent on funding partners like Westoba Credit Union; Many boaters and fishermen visit our lake and this grant will help make launching their boats a more pleasurable experience. Thank you Westoba!”

Rivers Westoba Branch Manager, Kassie Thomson commented on the dedication of the community residents to make this project happen. “The Rivers community is always looking for ways to improve the quality of life for residents,” said Thomson. “Westoba is proud to be a part of these improvements and look forward to using the boat launch!”

Work on the Daly Beach Boat Launch is expected to start soon with a completion date aimed at early summer.
