

KILLARNEY FUN IN THE SUN DAY CAMP RECEIVES FUNDING FROM WESTOBA INSPIRE

Killarney, MB – The Shamrock Centre got the green light to run their summer day camp and Westoba Credit Union is jumping on board with funding from Westoba Inspire.

The Shamrock Centre's Fun in the Sun Summer Day Camp program was recently granted permission from government health officials to proceed in accordance with the latest COVID-19 guidelines. The day camp will run for six weeks from Monday to Friday, beginning July 12th, 2021, hosting up to 20 youth daily under the age of 11. Funding in the amount of \$2000.00 from Westoba's Inspire program will be used to support the daily activities and cover program expenses.

"Because Covid-19 is still playing such a large part in our lives, the Westoba Inspire funding will go a long way to ensuring each camper has adequate supplies and we have the staff required to run the program safely," said Wendy Geisbrecht, The Shamrock Centre Facility Manager. "Half of the participant spots are already filled; childcare is a much-needed service. This is a real gift for us, both the ability to host youth and day camps again and the sponsorship; it's all coming together, and I really cannot wait!"

The Westoba Killarney Branch is looking forward to being part of the summer fun activities by providing branch tours for the day campers. "Having an opportunity to welcome the community's future financial decision makers into our branch is exciting for our staff," said Vinish Prakash, Branch Manager for Killarney, Ninette and Cartwright. "We'll show them what a typical day at the Credit Union looks like and teach them where their money goes when they come to the branch."

Registration for the day camp is available by calling 204-523-8920. The cost is \$15.00 per child per day with all supplies included.
