**WESTOBA RECOGNIZED AS ONE OF MANITOBA'S TOP EMPLOYER SECOND YEAR IN A ROW**

---

**BRANDON, MB – Westoba Credit Union (WCU)** is proud to be recognized again as one of Manitoba's Top Employers.

The Manitoba's Top Employer annual competition recognizes Manitoba employers that lead their industries in offering an exceptional employee experience and work environment.

"Being named as one of Manitoba's Top Employers is not just an accolade," said Westoba President and CEO, Jim Rediger, "this recognition reflects our unwavering commitment to fostering a supportive and rewarding environment where every team member can thrive and succeed. It reaffirms our belief that investing in our employees is not just the right thing to do but also the key to our continued success as an organization."

Chief Information and Culture Officer, Elizabeth Modersohn, credits this recognition to the employees. "This accomplishment would not have been possible without the passion, talent, and dedication of our incredible team. Each employee plays a vital role in shaping our organization's culture and driving our vision forward. Whether it is from the front line helping our members, or behind the scenes supporting our operations; our employees are leading initiatives that push boundaries and drive innovation striving to provide the best member experience."

Westoba offers hybrid work options, flexible work hours, phased in return-to-work options for new parents, a focus on supporting our community service commitment and prioritize employee professional growth and education.

"At Westoba, we build community with engaged, talented employees, who deliver great solutions and experiences every day," said Rediger. "It is our culture. It is who we are. We recognize moments of opportunity with each other and with our members."
